T 10 Consulting Names Terri Earls Chief Operating Officer

Atlanta, Ga., June 1, 2009 – T 10 Consulting announces the appointment of Terri Earls to the position of Chief Operating Officer.

Ms. Earls is well regarded for her ability to manage new ventures through periods of high growth. Earls has 20 years of corporate and ministry experience. She recently served as President of Earls Consulting Group where she offered operational and administrative counseling to ministries. She has also worked as Vice President of Training and Development for Mrs. Fields Famous Brands and Director for Human Resources and Training at Macy's Federated Department Stores.

A highly sought after workshop and seminar facilitator, Earls is also Minister of Women's Ministry at Cascade United Methodist Church in Atlanta, where she helps provide spiritual formation for more than 4000 female congregates.

Earls received a bachelor's degree in business administration from Berry College. She also earned a master's in Christian education from the International Theological Center.

ABOUT AT 10 Consulting -- T 10 Consulting's mission is to help corporations and colleges achieve their potential by providing world class consulting, staffing and IT services. T 10 appeals to corporations' who have a growing demand to improve their operations, by staffing highly skilled employees who operate from campus call centers. By leveraging the technical, marketing and intellectual resources at colleges and universities, T 10 helps prepare future leaders, restores entry level positions in the United States, provides companies with recruiting opportunities and attracts potential employers to colleges and universities.
